OCTOBER 2 - TWENTY-SEVENTH SUNDAY IN ORDINARY TIME:

There are two points emphasized in today's Gospel: the importance of faith and the importance of service. Jesus tells his disciples that even the tiniest amount of faith can work wonders. As

modern-day disciples, out of gratitude to God for the gift of faith and for God's bountiful love, we are called to share our faith with others and to serve one another. When one surrenders oneself totally to the Lord, then all else, including service, follows naturally. As a result of giving ourselves to the Lord, we can find ourselves doing great things with the help of God's Spirit.
