# Happy New Year 2023

## First Parish Council Meeting for 2023 -

Our first meeting of the Parish Council for the year 2023 will be held on **Thursday January 12<sup>th</sup> at 7:00pm** in the church. All members are asked to attend.

## Looking forward to a great 2023

It is the start of a new year and we look forward to new ideas and new challenges. As a parish we need to look at how we will continue to grow our faith and our parish community.

There are many financial challenges ahead of us because of our shrinking community. Without donations from special people in our community and fundraising we cannot survive on our monthly Sunday collections. And we have to be prudent with **your funds**. Because of our very old buildings, we spend thousands of dollars of **your money** on heat for the church, hall and the house and much more on insurance for the buildings. **This is not an acceptable path going forward.**

A number of topics are listed below for you to talk about and let us know what you think. We hope to discuss this at the Parish Council Meeting on Thursday so let your parish council members know what you think.

1. Future of weekday Mass
2. Future of a resident priest
3. Sale of the Parish Hall. Use the proceeds to upgrade the church electrical system and install solar panels on roof for energy efficiency.
4. Sale of Parish House as a heritage building. Use proceeds to upgrade church and build a hall and apartment attached to the existing church.
