MARCH 10 - FOURTH SUNDAY OF LENT:

Today's Gospel clearly demonstrates God's infinite love for us. A key phrase in this Gospel consists of two words: "lifted up". In the Old

Testament, when Moses "lifted up" the bronze serpent, anyone who looked upon it would receive healing. In the New Testament, when Jesus was "lifted up" on the Cross, we were offered the gift of salvation. God loved the world so much that he sent his Only-Begotten Son to die for us "in order that the world might be saved through him". As we journey through this week, let us turn to Jesus, who was "lifted up" on the Cross and who continues to be the Light of the world, so that we too can reach out to help others who are in need. The spiritual nourishment we receive at Mass enables us to be light in the midst of darkness to others as we reach out in kindness and compassion, striving to "lift up" the poor, the lonely, the downtrodden, the marginalized, and indeed all who are in need of help.

Week 4: March 10 Training next-generation farmers in Indonesia In rural Indonesia, young people are abandoning agriculture to work in cities. Over time, this could threaten food sovereignty. Our partner PAYOPAYO empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youths, especially women. This Lent, meet our solidarity visitor Karno Batiran, the executive director of PAYOPAYO. Learn more at devp.org/lent.
