Repairs to the Church Roof *(Fr Brophy)*

During a recent wind and rainstorm, quite a number of shingles blew off the church roof creating several leaks. We have been speaking to a contractor and written to the Board of Administrator asking permission to re-shingle the Church and the roof of the furnace room which is also leaking. When work begins, we may ask your help in this major project. We will keep you informed.

Health Matters *(Fr. Brophy)*

One year ago, I thought I was as strong as a lion. Now, I feel as weak as a kitten. First, a bad fall on my shoulder, and a few months later, a stroke. I call it a stroke of bad luck. But I was treated like an angel on St. Brendan's and with the greatest kindness for five or six days in the Gander hospital. Then I went to St. John's and my family did everything for me except sweeten my tea. And now, the final and worst blow: I have been diagnosed with COVID.

I am still not out of the woods, and I'm trying to rest to recover completely. In time, I hope, I pray, I will be back to normal. A sadness for me and for all my brothers and chums is that our beautiful trip in the country was cancelled. For now. Maybe later we can gather again for a few days. Please God.

The Diocese of Grand Falls, NL

Priest Retreat. *(Fr. Brophy)*

On Sunday evening, the priest of the diocese will gather in Terra Nova Park Lodge with out Bishop. The annual priests' retreat begins on Sunday night and finishes on Friday noon. This year the retreat will bring something quite different. The director is a woman. Ms. Anne Jamieson is an assistant to the Catholic Bishops in Ontario, and I understand she is a delightful lady. I am sorry that I will not be gathering with the Bishop and the priests, but my health dictates otherwise. Please pray for the priests.
