SEPTEMBER 25 - TWENTY-SIXTH SUNDAY IN ORDINARY

TIME: Today's Gospel parable contrasts extreme wealth with absolute poverty. It is a

familiar story wherein lies the poor Lazarus who is ignored at the rich man's gate, but after death, their status is reversed. In light of this story, we need to keep in mind that riches themselves are not bad; it's how they are used. Do we allow wealth to blind us to the needs of those right on our doorstep or those who need help from afar? May this Gospel touch our hearts, so that we who have more than enough of worldly riches may put them to good use in helping those in need of help.
